Trade Packs

Our Mini Packs are presented in re-sealable polypropylene pouches. Trade Packs, depending on the product may be shrink-wrapped which reflects the better value of this product. Either method should ensure the products reach you in pristine condition.

Consistent pricing has been adopted for the packs, for example all A4 Mini Packs are the same price, however the quantity of sheets will vary depending on the product. See the **Order Form** for details.

Mixed Packs

Our Mixed Packs contain the same number of sheets in total as a Trade Pack from the same range. The pack will contain every colour indicated. Where it is not possible to have an equal number of each shade to make up the Trade Pack quantity, additional sheets of the more popular items will be included.

A3 Size Sheets

We currently offer A3 size sheets in selected papers, in mixed packs only. Please call however if you require individual sheets or a pack of all one colour when we will be pleased to advise availability.
